

REWIND PROFESSIONAL ANTI-AGING REPARATIVE SERVICE instantly reverses the signs of aging and corrects years of structural and external damage, restoring chemically treated, mechanically compromised and maturing hair to a noticeably younger healthier state **FOR UP TO 10 WASHES.**

How To Perform The Service

1 WASH

Begin by thoroughly shampooing hair with Brazilian Blowout Anti-Aging Shampoo.

2 MEASURE

Dispense 3-5 pumps of Rewind into a clean color bowl.

3 APPLY

Use a color applicator brush to apply product to slightly damp hair from roots to ends. Comb through to ensure even distribution.

4 PROCESS

Place a plastic cap on hair and process under medium to high heat for 15-20 minutes, using your professional judgement.

5 FINISH

Thoroughly rinse hair with cool water. Do not shampoo. Style as desired.

Maintenance

We recommend clients use the **Brazilian Blowout Anti-Aging System** to prolong the service benefits between appointments.
