AstroLift™

reparative volume spray

inner repair meets outer volume

Color by celebrity colorist Jack Martin @jackmartincolorist. Sky-high volume by hairstylist Serena Radaelli using AstroLift™.

AstroLift™ reparative volume spray

what it is

A buildable, lightweight volume spray formulated with the K18PEPTIDE™ to reverse damage that can especially impact fine, fragile, and aging hair and a hair fiber volumizing blend to help hair look and feel fuller, for flexible and touchable bounce from roots to ends. Improves volume for up to 2 days*.

what it does

touchable volume
+ bounce for
up to 2 days*

**buildable + lightweight
formula** that won't
weigh hair down*

humidity
resistant

*clinically proven 2.5x more all-over volume**

how to use

Shake well. Hold the bottle 4-6 inches from roots + hair and spray generously throughout. Can be applied to dry hair or towel-dried hair. Blow dry for added volume.
